Red Racks Thrift Stores

Disabled American Veterans To Open 4th Springfield Location!

Springfield, MO.—The Disabled American Veterans are excited to announce another Red Racks Thrift Store and DAV Donation Center location at 2843 Sunshine St. in Springfield. This location is the former Ruby’s Grocery Store. This new store will be more than 10,000 square feet of retail space offering all types of items such as clothing, household items, tools, collectibles, shoes, kitchen items, furniture and home décor. An early August grand opening is planned.

“Our hope is that this new Red Racks location will become a shopping destination and the community’s choice when it comes donating their gently used clothing, furniture and household goods,” said CEO Doug DePew. “In turn, this location will provide an even stronger foundation of support for Disabled American Veterans. Our customers have told us they enjoy shopping thrift and want stores with great selection! This store will be filled with fashions that are on trend and right with the season, in a convenient space” DePew said.

Red Racks Thrift Store provides a meaningful way for members of the community to make a positive difference in the lives of those who served our country proudly. “Red Racks Thrift Stores and the on-site DAV Community Donation Center allows people to share their support for veterans by shopping the store or donating items they no longer need,” said DePew. “Our Veterans desperately NEED your stuff to make this new location a success. It will have easier shopping and donating access, more parking and a clean and organized shopping experience”.

The new Sunshine location is **now accepting** donations from 10am to 6pm Monday thru Sunday. Once the retail store opens, regular hours are Monday through Saturday 9 a.m. to 9 p.m. and Sunday from 10 a.m. to 8 p.m. for both donations and shopping. Donations can be delivered during these hours at the convenient drive-up lane located on the west side of this new Sunshine location or by visiting any of the 3 current Springfield locations. For larger items or furniture, donors may schedule a residential or commercial pickup by calling 417-889-6200 or visiting pickupmydonation.com.

The store also has opportunities for local organizations such as schools, churches and civic groups to earn money by hosting a collection drive for clothing, furniture and household items. The groups can receive payment for the total pounds collected through their efforts. To find out more, visit redracksthiftstores.com and click on fundraiser opportunities!
